South Portland Fire Invitational

Saturday, March 16, 2024

South Portland High School

SPFC is proud to be hosting their 11th Annual Fire Invitational for all youth, recreational, and middle school/junior high teams at South Portland High School!

The Fire Invitational will be trialing a different format for team registration with the goal of transitioning all MYCCA endorsed competitions for the 2025 season to the same format. Your feedback on this new process is welcomed to help make an easier experience for all in 2025. For help with registration, please contact Tracy.

Register online at www.myccamaine.org by completing the required registration forms.

Registration fees can be mailed to:

South Portland Fire Cheering
8 Romano Rd
South Portland, Maine 04106

Registration Fee

- \$60 per team / \$35 for MYCCA Member Teams
- **Checks made payable to "City of South Portland"**
- Registration fee is non-refundable and your team will not be registered until the registration fee and all forms are completed.

Deadline for registration is March 2nd.

Registrations received after March 2nd will be added to the schedule only if space and time allow in the schedule and will be subject to a higher registration fee: \$60 for MYCCA members; \$75 for non-members.

A complete Invitational Packet including performance times will be emailed to the primary contact listed on the registration form by March 9th. Please provide an accurate email address to receive this information. Schedule and/or session times will be determined based on the number of teams participating. If payment has not been received by March 9th, the teams will not be placed on the schedule. The warm-up area will have 5 mats.
